D G D A

D G D A
You who are on the road must have a code that you can live by
D D G D A
And so, become yourself, because the past is just a goodbye.
D G D A
Teach your children well; their father's hell did slowly go by
D G D A
And feed them on your dreams; the one they pick's the one you'll know by
D G D
Don't you ever ask them why - if they told you, you would cry
Bm G A D G D A
So just look at them and sigh, and know they love you

(2nd verse: *)

D G D A
And you, of tender years, can't know the fears that your elders grew by
D G
And so please help them with your youth;
D A
They seek the truth before they can die

(Everyone:)

D G D A
Teach your parents well; their children's hell will slowly go by
D G D A
And feed them on your dreams; the one they pick's the one you'll know by
D G D
Don't you ever ask them why - if they told you, you would cry
Bm G A D G D A D
So just look at them and sigh, and know they love you

* 2nd verse, other part:

D G D A
Can you hear and do you care and can you see we must be free to
D G
Teach your children what you believe in
D A
Make a world that we can live in
